

## ABOUT US

The Department of Industrial Development and Research (DIDR) was formed in 1977 by a State Cabinet directive and placed under the jurisdiction of the Ministry of Industrial Development.

DIDR is entrusted with the responsibility of promoting and coordinating industrial development in Sabah.

## VISION

To be the lead agency in promoting the development of the industrial sector in Sabah.

## MISSION

Promoting the development of the state's industrial sector through the development of small and medium industries, export promotion, research, and industry services.

## OBJECTIVE

Assisting to develop Sabah through the development of the industrial sector.

## MAIN FUNCTIONS

- Process manufacturing license and approval to set up manufacturing projects in Sabah;
- Undertake research/studies on the economy of Sabah, mainly in the manufacturing sector;
- Promotion of Sabah products in the domestic and international markets;
- Assisting in solving problems faced in the implementation of investment projects; and
- Carry out activities to enhance the capability of small and medium enterprises (SMEs).
